"A GROWING NEWSPAPER ☆ IN A GROWING COMMUNITY"

Vol. 51, No. 35 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | Thursday, July 18, 1946

☆ 'round town with Betty Allen... ☆

The Frank Livingstons read in the Campbell Press about so many people going to Yosemite Park for a vacation they decided to try it themselves, and that's where they are now.

★ ★ ★

If you tried to get in the Campbell Pharmacy yesterday morning and found it closed it's because the entire staff left en masse to attend Jeanne Gartner's wedding at the Methodist Church. Yes, she and Jack Stewart (the lucky bridegroom) found a house so the delayed wedding bells could ring.

★ ★ ★

An interesting visitor at the Carl Field home has been George Haldeman of Santa Monica. Haldeman is employed by the C.A.C. and at the present time is engaged in detecting flaws in the new Constellations at Moffett Field. He holds the distinction of having accompanied Ruth Elder on her famous trans-oceanic flight and has a record of 17,000 flying hours.

★ ★ ★

Guess we weren't as anxious for butter as we thought we were . . . at least not at this week's price.

★ ★ ★

The Library doesn't seem the same without Lon Pannell around . . . Lon is having to take it easy in preparation for an operation.

★ ★ ★

Our vacationing Constable, Ethan Lanphear, seems to have taken his Muse along with him for he writes:

We find things fine
Along the line
As each day creeps upon us.
Each town we hit
I hope is it,
But always miss Kiwanis.

★ ★ ★

He doesn't seem to think much of Oregon weather, however, for the following is postmarked from that Northwest state:

The ducks do swell
For it rains like h---,
It pours down by the gallon
Oregonians tell
It's the place to dwell—
Just ask friend Martin Allen.

CAMPBELL PRODUCTS TO CLOSE

After an unprecedentedly long season, the Campbell Products Company will finish its run of potatoes this week and close until next fall. Usually the dehydrator is closed long before this, but the use of potatoes for supplying distilleries with alcohol made a much longer season.

Since last October 12,000,000 pounds of cabbage were dried for distribution abroad by UNRRA. This is about the same amount which was processed last year but the amount of potatoes passing through the dehydrator was enormously increased over last year.

According to A. Ansara, coowner of the company. 600 cars or 30,000,000 pounds of potatoes were processed this year.

REV. OSBORNE RETURNS FROM LOS ANGELES

Rev. Lawrence J. Osborne has returned from a 10-day trip to Los Angeles where he attended the Christian Ashram conducted by Dr. E. Stanley Jones. One hundred and fifty people attended the meeting, coming from many parts of the United States and Canada, and representing all denominations.

During the Ashram Mr. Osborne sang a vocal solo at the Sunday morning service where Dr. Jones preached, conducted one of the evening Vesper services, and last Tuesday evening presented a concert of sacred songs for the Ashram members and their guests.

The E. Stanley Jones meting was sponsored by the Federal Council of Churches.

VACATIONING ON RUSSIAN RIVER

Mrs. Jack Murdock and her two children, Sharon and Jimmy, are spending the week in Healdsburg. Mr. Murdock has recently been appointed an associate member of the Republican County Central Committee.

Construction To Start On New Post Office

Sparks Fly At Chamber Meeting

Hot words flew thick and fast at last evening's Chamber of Commerce meeting when Martin Walsh, secretary, defended himself against accusations of George Arlidge that he was inefficient and remiss in his duties. He cited his long service to the Chamber, and claimed Arlidge's attack on him in a letter written to the Campbell Press which appeared in the July 11th issue, was unfair in every respect. He further claimed that Arlidge was out of line in criticising the directors and the committee on incorporation which he said had worked diligently for the past two years.

"I have no intention of resigning," he said, in closing.

Since the signed minutes of last month's meeting, written by Arlidge during Walsh's absence, in which it was voted to ask the directors to take a more active part or resign, were not in the possession of either Walsh or President Walter Silberbauer, and since the exact number of people present could not be ascertained, Walsh declared last month's meeting void since it was not a certainty that a quorum had been present.

In spite of this, Lowell Benson speaking for the directors, offered their resignation in a body but received the unanimous vote of the Chamber refusing.

Arlidge reasserted his criticisms of the Chamber declaring it inadequate, inefficient and unrepresentative.

Joseph Gomes played the role of peacemaker and urged that the Chamber work in cooperation with the Taxpayers' Association for the joint purpose of bettering Campbell. Les Wheeler drew spontaneous applause from the group when he pointed out that the "fireworks" had brought out a record attendance and that the Chamber could really progress if all the members would attend as they did last night and work in harmony.

Mrs. Fred Stevens, a member of the newly-formed Property Owners' Association in the San Tomas district, spoke heatedly against industrial zoning and against including the district in incorporation boundaries. However, after listening to Joseph Gomes, rancher and past president of the Chamber, who favors industrial zoning and incorporation and urged "doing the thing right by using the present proposed industrial zoning setup and taking in a large enough area in the incorporation boundaries," members voted to continue their present endorsement of the plan approved by the Board of Supervisors for industrial zoning.

The troublesome matter of when and where the petition for the widening of Campbell Avenue had originated was cleared up by the reading of the minutes of October 17 at which time Herbert Shadle recommended a survey of Campbell Avenue with the possibility of a setback line which would eventually result in the widening of the stret. A motion was made by Dave Ribble and seconded by Bill Weeks requesting the secretary to request this from the Planning Commission.

ON WAY TO SO. AMERICA

Robert Fairchild, son of Mr. and Mrs. Les Fairchild, who serves in Merchant Marine, has left aboard a passenger liner for Costa Rica and other South American ports. He has been visiting his parents in Campbell after returning from Europe. He will return in time to enter Campbell Union High School in the fall to finish his last year.

Building To Be Erected By John Lynden On Property West Of The Library

Work is scheduled to start immediately on Campbell's new post office to be located on the south side of Campbell Avenue west of the Library. The property is owned by John Lynden, who is building the post office, which he will lease to the Government for 10 years.

The structure will cost approximately $30,000 but after it is fully equipped will have a value of about $50,000.

In appearance the building will be somewhat similar to the Willow Glen Post Office and will be set back flush with the Library, with an exterior of stucco. Inside will be a large workroom and lobby. All of the equipment will be new and will be the most modern available. All lighting will be fluorescent and the lobby floor will be terrazzo.

No loading or unloading of mail will be done on the street for the alley directly behind the new building will be utilized for that.

Judson & Son, contractors of San Jose, have been awarded the contract for the construction and the buidling is expected to be completed by December 1.

Ira Grim, postmaster, says that the new building will probably contain only half as many boxes as the present one since city delivery is expected before the completion of the building.

Legion Installs New Officers

Hedegard Gives Property to Legion

The installation of the newly elected officers of Campbell Post No. 596 American Legion was performed recently by Commander Brannaman, Vice - Commanders Gene Sturdivant and O. B. Averitt, and Adjutant Sam Hendy of the 13th District, and other notables of the American Legion.

Officers installed were: Alvin Carter, Commander; James Peer, 1st Vice - Commander; John P. Smith, 2nd Vice - Commander; James Malone, Adjutant; William Ramsay, Finance Officer; Henry Hoelling, Historian; Dr. Gareth Ortman, Service Officer; Glyn Leach, Sergeant at Arms.

All of these officers are World War II veterans. Howard Smith and Clarence Fogalde were installed as members of the Executive Committee.

Past Commander Mitchell was presented his Past Commander's pin by O. B. Averitt, a just reward for the completion of a year's Legion work.

Each of the newly elected officers gave a brief talk on the pleasure of being chosen to serve their post for the next year. Visiting Legionnaires wished the World War II veterans success in their term of office.

Commander Carter appointed committees to carry out the Legion program.

At this point in the meeting Mr. Nick Hedegard, whose son and daughter-in-law are members of the post gave a very interesting talk. Mr. Hedegard offered property to the Legion to help in its building program. Mr. Hedegard was given a rising vote of applause and words from Commander Carter, Past Commander Mitchell, and Comrades Bill Weeks and Howard Smith expressed the Post's gratitude for Mr. Hedegard's donation.

The membership retired to refreshments with the Auxiliary, and each organization introduced its new officers.

ENLISTS IN NAVY

Billie Henson, son of Mrs. Chester A. Henson who resides at 26 Gilman Avenue, enlisted in the U. S. Navy for two years on the 13th of July.

TENNIS TOURNAMENT

Saturday's the last day for signing up for the tennis tournament so . . . hurry, hurry to the Water Company and give your name to Jack (the Tie) Murdock (apologies to Dr. W. R. Morgan). You can sign up for singles, doubles and mixed doubles, and there's a senior and a junior division.

The Tie reports that the youngest to sign up is Richard Subdon and the oldest is Judge John Blaine (the Racquet).

Incorporation Meet Set For Monday

Next Monday evening at the Library at 8 o'clock interested Campbell residents will have an opportunity to learn more about incorporation for the Campbell Taxpayers' Association will present a speaker on the subject at another open meeting.

All residents are invited to attend and to participate in the discussion.

The committee working on the establishment of boundary lines is finding the task a difficult and time-consuming one. Composed of Ray Gilpatrick, chairman; George Arlidge, Secretary; David Rutherford and G. L. Standish, the committee has met with County Supervisor Joseph McKinnon, who gave them information concerning procedure and boundary questions.

Next the committee met with Dr. Hubbard of the County Education Department who pointed out that it is necessary that city boundaries do not interfere with existing school boundaries. Since this district extends as far as Santa Clara and includes a portion of Burbank, the possible annexation of Burbank by San Jose would create a wide wedge through a large part of the school district.

The Taxpayers' Association committee will meet with the District Attorney and the school officials in the near future to work the problem out.

Some slight alterations will have to be made in the proposed boundaries by the Planning Engineer so that the lines do not cross any individual property in such a way as to divide it betwen city and county.

After the proposed boundaries are set, a petition will be circulated, according to Secretary Arlidge, which, in order to bring the matter to an election, must bear the signatures of 25 per cent of the property owners representing 25 per cent of the assessed valuation.

The Taxpayers' Association is requesting that those interested volunteer their services in circulating petitions.

Planning Board Secretary Retracts Public Criticism Of The Campbell Press

TO WHOM IT MAY CONCERN:

Due to an error in our office an erroneous legal notice was sent the Campbell Press advertising a hearing on the Campbell Zoning for July 17 and August 21. The correct dates are September 4 and October 2.

We regret that this error on our part has caused embarrassment to the owners of the Campbell Press and apologise to them for any distress it has caused them.

SANTA CLARA COUNTY PLANNING COMMISSION
By Nestor Barrett,
Secretary

A large number of Campbell people left their homes and their work yesterday to attend a hearing on rezoning before the County Planning Commission. Many of the people were greatly inconvenienced by doing so—and what did they find when they got there? No hearing.

Nestor Barrett, secretary of the Planning Commission, informed them that there was no hearing set for that time concerning Campbell. He said, "This whole misunderstanding was caused by a story appearing in the Campbell paper stating that there was a hearing set for today."

He went on to say that if the accuracy of stories appearing in the Campbell paper could not be relied on, the Commission would continue to publish legal advertisements in the Campbell paper which would be correct.

Mr. Barrett told a different story when confronted by the editor of The Press with a copy from his office of the legal notice which was sent by his secretary to The Press for publication June 5, in which the date was set for July 17.

He said it was a mistake on his part and admitted that he had been hasty in placing the blame for his own error on someone else. Mr. Barrett wrote the above letter as an apology to The Press.

Correct dates which should have been in the legal notice sent by his office to The Press for publication are September 4 and October 2.

No explanation was given for the long time lapse between the recommendation of the Supervisors for an industrial zone for Campbell and the hearing, still more than a month away.

Long Time Resident Dies Here

Funeral services were read this morning at 11 A.M. for Mrs. Mary Ann Eifentraut, 79, who died Monday at her Hamilton Avenue home. Mrs. Eifentraut had been a resident of Campbell for 65 years, coming here from Eldorado County in 1882.

She was the widow of the late John Eifentraut, whom she married in San Jose in 1890. Her late brother, William H. Carney, was a Campbell pioneer who figured actively in the development of the town.

Surviving her are a daughter, Mrs. Arthur F. Hargis, Campbell; a son Nicholas Eifentraut, Manhattan Beach; two grandchildren, Mrs. Dorothy Barra and John Eifentraut of Lomita; and a great-grandson, James Barra of Lomita.

The final rites were held at the Roger Darling Garden Chapel, followed by interment in Santa Clara City Cemetery.

DIES ON VACATION TRIP

Campbell friends of Mrs. E. Clyde Glass are sorry to learn of the sudden death of her husband while on a vacation trip. Mrs. Glass, who is librarian at the Veterans Hospital in San Fernando, has been visiting her sister, Mrs. Lillian Voge, here.

SPEND DAY IN SAN FRANCISCO

Mr. and Mrs. H. F. Cousins and their daughter Ruth, spent Monday in San Francisco visiting friends.

New Farm Labor Office Busy

A rush of business in the newly-established Campbell branch of the Farm Labor Bureau has kept Mrs. Josephine Decker, manager, busy. According to Mrs. Decker a large number of ranchers have called at the office requesting help and it has been possible to supply it with the correspondingly large number of migratory and local workers who have registered.

More girls are needed for cutting and Mrs. Decker says that girls under 16 with work permits may do this. For commercial cutting sheds, the girls must be over 16.

The labor office also needs more local workers for local ranches and urges that Campbell residents desiring work register there.

One of the biggest problems with the migratory workers, according to Mrs. Decker, is the shortage of camp sites. The Prune & Apricot Growers Association have already filled the camp site it maintains at the foot of Central Avenue for the workers who will be employed on ranches of the Association members.

About 50 Mexican Nationals are being housed and fed by the Association at the present time.

RETURN FROM VACATION

Mr. and Mrs. Chris Jensen and their daughter have returned from a vacation spent at Mt. Lassen.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

TAKE IT EASY IN TRAFFIC

Avoid Death on the Highways

Driving enthusiasm zoomed upward after V-J Day and the return of unrationed gasoline. Pent-up motorists rejoiced in the return to the good old pre-war days when, theoretically, every highway was a road to glorious adventure.

That rose-tinted mental picture has been blasted in recent months by the fearful toll in traffic fatalities, injuries and property damage. Accidents have been happening at an alarming rate because eager drivers have forgotten that tired old automobiles can't measure up to the renewed vigorous pace.

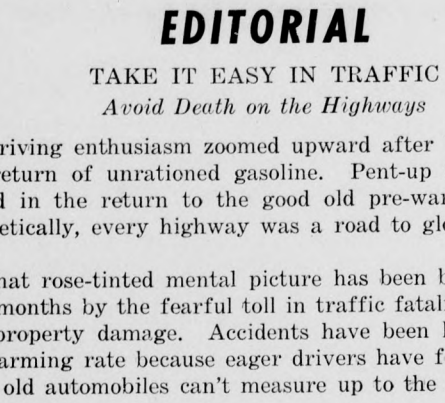
Drivers have forgotten, too, that during the war years they have become rusty on the little tricks that so often are the margin between life and dath in traffic.

The answer? Slow down. Relax a little. Examine the situation and find that driving enthusiasm must be bound by physical limitations of cars, driving skills, even war worn roads.

That's why the California State Automobile Association is urging everyone who uses the streets and highways to "Take It Easy."

This calming, common sense suggestion, so popular with combat troops during the war, seems most appropriate to the current hustle and bustle in traffic.

Join the 150,000 members of the CSAA in supporting the nationwide American Automobile Association program by taking the pledge, "Sure, I'll Take It Easy." Remember that small delays dictated by cautious driving aren't wasted minutes. When you "Take It Easy" in traffic, you provide insurance against becoming another brush stroke in the bleak picture of Death on the Highways.



We still do swell Cleaning and Pressing, too!

BIG BUSINESS AND TAXES

WASHINGTON — Juciest gravy in the current tax legislation is the continuance of the carry-back of unused excess profits credit. The Senate finance committee, always friendly to big business, not only knocked out the excess profits tax last year, but retained carry-back refunds. This permits corporations whose current earnings do not proportionately match their 1936-1939 earnings, to claim adjustments in their 1946 tax payments.

This is one reason some firms didn't worry too much about prolonged strikes. General Motors alone will probably hit the treasury for a refund of 80 million dollars. To head off this drain on the treasury, Rep. Cleveland Bailey of Clarksburg, W. Va., Democrat, introduced a bill last January to repeal the carry-back provisions. On January 23, the House ways and means committee asked the treasury for a report.

Recently impatient Rep. Wilbur Mills of Arkansas, Democrat, proposed that Congress act independently, without waiting for the treasury report. He pointed out that large credits can be claimed by corporations which actually make more money this year than they did in any of the years from 1936 to 1939, simply because their capital investment is now larger.

Mills charged that many large corporations are taking advantage of this loophole, and as a result the taxpayer foots the bill for the expansion of private industries. He also listed a long series of "abuses and transactions which will no doubt be resorted to in order to create carry-back refunds or tax credits."

KANSAS ATOMIC STRAW

The Eastman Kodak company has been having trouble as a result of the first atomic bomb test in New Mexico — one year ago. Eastman found that, for some mysterious reason, some of its film was turning black before exposure. Finally experts discovered that the film had been packed in straw which came from western Kansas.

After the Los Alamos bomb test, radioactive dust from New Mexico settled on Kansas wheat fields, and is still so powerful that the Kodak company has had to stop using Kansas straw for packing film.

TRUMAN WRITES A VETO

President Truman was convinced that the half-breed price control bill would not work. The Taft amendment, he especially argued, was absolutely impossible, and he cited accountancy experts of various big manufacturing firms, all of them against OPA, who branded the Taft cost-plus formula as likely to bring chaos to industry.

"I just have to put what I consider the country's welfare first," the President told his congresional leaders. "Let's not fool the country and give them something that won't work."

When they told him that they would not be able to persuade their reluctant colleagues to pass any sort of price control bill, the President replied:

"If it's this or nothing, then we'll just have to take nothing."

Among other things, the President figured that during the chaotic period sure to follow if the polyglot price control bill were passed, Congress would claim it was his fault for not making the bill work, when, in actual fact, the bill was unworkable. He felt also that if Congress did dare to go home without a price control bill, things would be hotter for them in their districts than in Washington. He also warned that in this case he would call a special session of Congress.

We have all known that Jell-O comes in six different flavors for some time, but did you know that you can now get vinegar in five different flavors? Leave it to the What Not to be right up-to-date. They have some herb sets of vinegar to give added zest to your salads. The vinegar flavors are celery, thyme, mint, orange and of course onion. The What Not also has sets of spiced vinegar. These come with a bottle of spices which may be added and are ideal for French dressings. Those of you who are interested in your gardens should have one of the lovely redwood grottoes just received. They are especially attractive when they can be seen from inside the house as well as from the garden. Stop by the What Not and see the beautiful one they have on display.

Life is not complete unless you have a barbecue now and then. The House of Riches has all the equipment necessary to make your barbecues complete. The terra cotta ware which includes every type of container and dish imaginable is not only attractive but will stand heat. The old fashioned bean pots are ideal as they can be filled and cooked hours before the rush begins. Trays, salad bowls, relish dishes, and immense coffee cups are a few of the pieces in the set. The small plates for individual service are made in unusual shapes. The large forks, spoons and turners for the actual barbecuing process are well constructed and practical looking. Pyrex coffee jars which are really large flasks would be an attractive addition to any table. They are gay with raffia trimmings around the neck. There are vinegar jars and salt and pepper holders to match. At the House of Riches you may even find a new cook book to help you plan your summer meals.

Campbell Court Notes

By Judge Blaine

A man arrested for battery on a complaint signed by a woman from whom he had been divorced, pleaded guilty but said he could not stay away, he loved the woman so much. The battery was due to drink, he explained, to which he was driven by despondency because the lady did not return his love.

The Court advised the test of separation. The man agreed to leave town and was assisted to the stage depot in San Jose by Constable Lanphear. His former wife said, "He'll be back." The next morning she phoned that he was back, drunk, and asleep on a couch.

To assist the man in staying away and keeping sober he was sentenced to the County Jail Farm for three months. He left thanking the Court for suuplying him by compulsion what he lacked in will power.

In two recent cases sentences to the Jail Farm for battery on wives resulted in improved attitudes and mended homes. The experiment of compulsory sobriety and separation seems worthwhile.

General conditions at the Jail Farm are reported by former inmates to be reasonably good, with wholesome food and work. Conditions at the County Jail itself are said to be unspeakable, as they have been most of the time over 20 years. A new jail is supposed to be on the county building program.

The Highway Patrol has a drive on to check local minor violations, including "no arterial stop" and the familiar double parking. Cases are piling up fast. Many drivers are paying their first fines. Most recognize the need of regulation, and few complain at contributing to County Good Roads fund.

CARD OF THANKS

Tennis Committee Appointed

At the last meeting of the High School Board of Trustees Harold Drummond, Charles DeSelle and John D. Blaine were appointed as a committee of three to have charge of the high school tennis courts.

The new committee wishes to call attention to the fact that all players must wear shoes with rubber soles and heels.

Planned soon for the courts are new gates between the courts to increase convenience, and large signs to inform players of rules which will add to the enjoyment of the courts. No singles will be allowed while players are waiting and only two sets of doubles may be played if others are waiting.

Also planned for the near future is the resurfacing of the courts.

ENJOY CAMPING TRIP

Mr. and Mrs. Anthony Bargas and their small daughter, Barbara, joined a group of friends and relatives for a week's camping at Pinecrest near Strawberry Lake.

CAMPBELL GIRL RELEASED FROM WAVES

Miss Geraldine Jurras, until recently Lt. Jurras, USN, has been released from the service and is now enjoying a month's motoring trip with a friend. At present they are in Canada and have "covered" all the National Parks between Yosemite and their present location. While in the service Miss Jurras was stationed at Balboa Park.

Her sister, Miss Betty Jean Jurras, is vacationing at Pinecrest near Strawberry Lake.

Both girls are the daughters of Mr. and Mrs. Anthony Jurras, Dry Creek Road.

SARATOGA HOME BURNS

Th many Campbell friends of Ralph Husted, brother of Mrs. Herbert Shadle, will be sorry to learn that his Saratoga home burned completely to the ground on July 5. Husted built the house on Pierce Road 50 years ago.

The Book Mark

☆

Here we go — talking about trends again. Well, now we are noticing the latest book trend. It indicates, despite the political squabbles and the possible implications — and results — of the atomic bomb tests, despite worries about prices, and the cost of living—well, it indicates things gradually are drifting back to normal. We noticed lately, during a perusal of various book advertisements, such subjects as "How to Crochet," "Skin, Beauty and Health," "Antiques," and even quite some stress on dictionaries. Certainly, the "how to do it" books are indications that people's minds are turning more toward the hands, which followed through means they are now settling down to work, and forget, if possible, the cares of the world and the strenuous past six or seven years.

BETWEEN THE COVERS

Bing Crosby's brother Ted, a gent we'd never heard of until very recently, makes the public print again with announcement that he's doing a biography on the crooner. This will appeal particularly to movie and disc (records) fans, because it will list Bing's flicker appearances and his records. They'll call it "The Story of Bing Crosby" . . . Frederick Wakeman's "The Hucksters" is going to MGM for a reported $200,000, to be paid over a period of six years. Mentioned for the lead is Clark Gable, who should be able to portray very well the radio advertising executive who heroes this one. . . . L.A. public library recently showed 55 exceptionally fine books produced in the West. Display was sponsored by Rounce and Coffin Club of Los Angeles.

OLD FRIENDS CELEBRATE BIRTHDAY

A sentimental occasion last week was the dinner party for which Mrs. Clara Baldwin was hostess in honor of the 73rd birthday of Mrs. Margaret Murdock of Healdsburg. The other two guests present were Mrs. Louella Whitney and Mrs. Kate Ward. Twenty-three years ago the four celebrated Mrs. Murdock's 50th birthday and have not had the opportunity of another birthday celebration until last week. The women became friends many years ago in Georgetown.

Campbell Graduate Now Bride

At a nuptial mass at the Holy Family Church in late June Miss Rita Barbaccia, daughter of Mr. and Mrs. P. C. Barbaccia, became the bride of Frank J. Pecoraro, son of Mr. and Mrs. A. Pecoraro. Given in marriage by her father, the bride wore a white slipper satin gown with a marquisette yolk and a long train while a crown of pearls held in place her finger-tip veil. Her flowers were a fan-shaped bouquet of gardenias with orchids.

Miss Lena Benevento, maid of honor, wore a frock of pastel pink marquisette and carried a heart-shaped bouquet of plum-colored Esther Reeds. Other attendants were Miss Gloria Speciale and Miss Marie Bellomo who wore plum nylon frocks.

Serving as best man was Corp. Cy Barbaccia and ushers were Louis Barbaccia and Manuel Magliocco.

Following the rites a wedding dinner for 50 friends and relatives was held at the Villa Roma followed by a large reception at the Elk's Hall.

The bridegroom was graduated from Santa Clara High School before entering the Army Air Forces in which he served more than three years. The young couple will make their home in San Jose.

RECEIVES BROKEN ARM

Otis Hyde suffered a broken arm when he tripped and fell in the kitchen of his S. First Street home.

NEW SUBDIVISION OPEN

Mr. and Mrs. Ray Mathis have returned to Campbell to stay after many months spent in Southern California for Mrs. Mathis' health. Now open is Mathis' new subdivision known as El Rancho California. The new tract is located near Winchester and Budd Avenue and is divided into 32 lots. Builders will be required to build houses over a certain price and California ranch houses are expected to be the main type of architecture and will be encouraged by Mathis.

The tract was purchased from Ray Thomas and Beatrice Briggs through realtor Larry Linane.

MOVE TO NEW HOME

Mr. and Mrs. E. F. Ballott and their daughter and son-in-law, Mr. and Mrs. Harvey Sheeder, have moved from their Central Avenue home to their recently purchased house on First Street. Mr. and Mrs. Sheeder are awaiting the completion of their new home.

30 YEARS WITH TELEPHONE COMPANY

Fred Rost, N. Second Street, has just completed 30 years with the Pacific Telephone and Telegraph Company.

ENTERTAIN AT BARBECUE

Mr. and Mrs. Paul von Ahnen and Mr. and Mrs. Tom Furchener were joint hosts and hostesses at a barbecue last Sunday evening at the von Ahnen home on Neal Avenue. During the evening the large group of guests enjoyed dancing in the patio.

VISIT FROM PASADENA

Mr. and Mrs. Thomas K. Farley of Pasadena were week-end visitors at the home of Mr. Farley's parents, Mr. and Mrs. Guy Farley.

Legion Auxiliary Meets

The regular meeting of the Campbell American Legion Auxiliary No. 596 was held Wednesday evening with Miriam Smith, President, presiding. Reports were given by Clara Falgalde, Poppy Chairman, and Gladys Weeks, Community Service Chairman. Eloise McCurdy, Governor of "Girls' State," a guest of Katharine Fuller (also a delegate to Girls' State), gave an excellent report of what was done this year at the school. Duets, played by the girls on flute and piano, were a delightful surprise and enjoyed by the members. Invitations were received from Memory, Palo Alto, and Willow Glen, to attend the installation of their new officers. Delegates and alternates, named to attend the pre-convention caucus in Monterey this coming Sunday included Miriam Smith, Thelma Robillard, Grace Gardner, Hannah Barber, Marie Menard and Ruth O'Brien. Delegates and alternates to the State Convention at Sacramento, Aug. 24, 25 and 26, include Gertrude Wood, Evabelle Fuller, Clara Falgalde, Gladys Weeks, Miriam Smith and Marie Menard. It was decided to omit social meetings for the months of July and August. To aid the Kiwanis Luncheon chairman, Ruth O'Brien, in her work it was also decided to hold a dish-towel shower at the next meeting; each member to bring one towel. The paper drive is still on. After the meeting refreshments were served by the committee.

RED CROSS URGES FIRE PREVENTION

Campbell families vacationing during the dry summer months are asked to help prevent forest fires by observing the Red Cross Rule of Five, according to Mrs. Archie Keesling, chairman of the Campbell branch of San Jose Chapter.

"Fires sweep through western forest and pasture lands during July and August," Mrs. Keesling points out, "causing winter floods through destruction of nature's protective watersheds, as well as great black scars that take years to heal."

Included in the Red Cross Rule of Five are five simple rules:

1. Break every match in two.
2. Drown every outdoor fire with water, or smother fire with earth from which leaves are removed.
3. If you must build an outdoor fire, ask first if the law requires a permit.
4. Crush your cigarette, cigar or pipe ash out completely.
5. See that each member of your party knows and observe these rules.

MRS. HANGER OUT AND AROUND AGAIN

Friends of Mrs. Rose E. Hanger will be delighted to learn that she was out Monday for the first time since last April when she became ill. Miss E. McLernon who has been with Mrs. Hanger all through her illness and convalescence is returning today to San Francisco and will then go to Ojai in Ventura County.

Mrs. Hanger's daughter, Mrs. Willard Farr, has arrived from Salinas and will visit her mother until September. She is accompanied by her two daughters, Barbara and Betty.

ASK YOUR WATER HEATER DEALER

He knows what's right for YOUR home
In today's living there is need for greater and greater use of hot water because modern homes have both showers and bathtubs. Modern washing machines, linoleum floors and white woodwork also call for plenty of hot water in housecleaning. Be wise, talk things over with your water heater dealer. No modern home with bathroom, laundry and kitchen can get adequate hot water service from a 20-gallon water heater. An inadequate heater cannot store up enough water for peak use, it becomes constantly overworked and wears itself out.

Each bidder shall specify in his bid the rate of interest he desires said bonds to bear and the premium offered, if any.

Bidders may make one or more alternate bids or offers for said bonds at different interest rates. The definite rate of interest said bonds shall bear shall be determined at the time of sale. The best bid will be determined by deducting from the total amount of interest which the school district would be required to pay up to the maturity of the bonds at the coupon rate specified in the bid, the amount of the premim if any bid therefor, and the award will be made to the lowest net interest cost to the school district.

Bids or proposals must be for not less than the par or face value of said bonds; such bids or proposals must be also for, and include, accrued interest on said bonds from date of said bonds, to and until, the date of delivery thereof, and must be for cash in lawful money of the United States; said Board reserves the right to reject any or all bids.

Said proposals must be addressed to C. P. Cooley, Chairman of the Board of Supervisors of the County of Santa Clara, San Jose, California; must be enclosed in a sealed envelope, and endorsed "Proposals for purchase of bonds of Campbell Union School District of the County of Santa Clara", and such proposals will be received as aforesaid, and will, immediately after 10 o'clock a. m. on Monday, the 22nd day of July, 1946, be opened by said Board of Supervisors at their office in the County Court House in the City of San Jose, in said county.

Campbell Union School District has been acting as a school district under the laws of the State of California continuously since July 1, 1920.

The assessed valuation of the taxable property in said School District for the year 1945-46 is $6,563,740.00, and the amount of bonds previously issued and now outstanding is None.

By Order of the Board of Supervisors of the County of Santa Clara, State of California.

ALBERT J. NEWLIN,
County Clerk and ex-officio Clerk of the Board of Supervisors of the County of Santa Clara.
By Richard Olson,
(Seal) Deputy Clerk.

Shortages are holding him back

We in the Bell System were adding telephones at the rate of three million a year until shortages started getting worse. Now it's harder and harder for us to get materials for manufacturing and building.

We aren't complaining for we are in the same boat as every one else. But we thought you might like to know the supply situation on some of the biggest items in the telephone business.

LEAD—There is a world shortage of lead. Even when conditions here straighten out, it will be some time before adequate supplies are available.

COPPER — In great demand but we will probably have adequate supplies when the smelting, refining and fabricating plants get going.

TEXTILES — Serious shortage of cotton and synthetic yarns and fabrics, with demand greatly exceeding supply.

STEEL — Steel and coal strikes have affected supply in face of unprecedented demand.

RUBBER — Synthetics are in fair supply but natural rubber is on Government allocation.

LUMBER — Scarce supply due to unprecedented demand and dislocation of lumber trade.

BRASS MILL PRODUCTS — Used in Central Office switches and other telephone equipment. Supply will be short until disturbed conditions are settled in the copper industry, permitting brass mills to get back to full-scale production.

It's a tough situation, but we aren't giving up, any more than you have given up trying to get butter or sugar or shirts.

We're doing the best we can with what we've got and hoping these disturbed conditions will end, so we can really go full speed ahead.

Your favorite radio stars are on the screen this week-end at the Campbell Theatre in "Radio Stars on Parade."

Song numbers and slapstick comedy are the chief ingredients of Ben Stoloff's latest production. Frances Langford and Skinnay Ennis do most of the singing; Wally Brown and Alan Carney contribute most of the comedy.

The screenplay is by Robert E. Kent and Monte Brice, based on an original by the former. It presents Miss Langford as a night-club singer aspiring to radio work and Brown and Carney as the managers pro tem of a Hollywood talent agency. This combination of circumstances facilitates the introduction of nine song numbers and of Ralph Edwards and his "Truth or Consequences" radio show. The most notable songs are "I Couldn't Sleep a Wink Last Night" and "That Old Black Magic."

Leslie Goodwins directed.
